

Beach Museum of Art - Summer 2020

ARTSmart Classes Go Virtual

Spend the summer exploring art and stories from the exhibition “Inspirations: Art for Storytelling” in conjunction with the American Library Association summer reading theme “Imagine Your Story.” Each weekly class series will start with a live on-line art looking activity, include a picture book, and provide a supply list and instructions for an art activity. We have a variety of options for virtual participation and you may use as many as you like!
