

SCHOOL TOURS

DEVELOPING 21ST CENTURY AND COLLEGE AND CAREER READINESS SKILLS THROUGH THE VISUAL ARTS

Explore the permanent collection and The Meadow (weather permitting) with a focus on developing interdisciplinary observational skills. Tours can be tailored to any grade level and teachers can request specialized subject matter. See our website for more information on current exhibitions.

Gallery activities and art projects are designed to explore visual thinking, practice the cross-disciplinary skill of observation, develop expressive language, complement the Common Core/College and Career Readiness, and develop the four “super skills” identified by the Partnership for 21st Century Skills – creativity, communication, collaboration, and critical thinking. Observational drawing project included.

Tours are free, available Tuesday-Friday, last 1½ hours, and can be tailored to all grade levels. Bus funds are available, provided by donations to the museum.
